Final Note by the Third Member of Council.

Subject:-

Enhanced rate of daily allowance to Mr.Parthasarathy, District Health Officer, during his deputation in England.

---

50) Mr.P.Parthasarathy, District Health Officer, Shimoga, who was deputed for a period of one year to undergo an advanced course of study in Bacteriology in the Lister Institute, London, has submitted a representation stating that, as the cost of living is very heavy in England just now, it is impossible for him to meet all his expenses out of the daily allowance of Rs.5 sanctioned to him in addition to his pay and requesting that his daily allowance may be increased to at least £ 1. Under the new Deputation Rules of 25th May 1920 Mr.Parthasarathy would get full pay for the period of privilege leave he was entitled to at the time of his deputation and half his salary for the rest of the period with a maintenance allowance of £ 150 to £ 200 in addition. But he is not agreeable to have his allowances regulated by the new rules.

51) 2. The Sanitary Commissioner recommends that Mr.Parthasarathy may be granted a daily allowance of Rs.10 as the present daily allowance of Rs.5 sanctioned to him is too inadequate to meet the normal expenses of studentship in London. Mr. Kunhi Kannan of the Agricultural Department, who is on deputation in America has been given an allowance of Rs.10 per day.

52) 3. Under the circumstances I am of opinion that the recommendation of the Sanitary Commissioner may be sanctioned.

expenditure involved. This condition can be fulfilled as the Sanitary Commissioner reports that the extra expenditure may be met out of the savings from the pay of the District Health Officers in the current year's budget.

Dear Sir,

As soon as I arrived here, I wrote to the chief Bacteriologist of Listitute I instituti to give me an interview. I had one from him and told him that I wished to work and learn the advanced work in the Laboratory. He said that the institution was not a learning one but a research one where one has to work by himself without the help of any teacher and that he could not take me in.

I went to the University College and requested them to give me a course. They promised me yesterday to give me a course from October next as the College is closed on

account of the vacation. I have to wait till October to begin my studies

As I have nothing to do at present and the Fellowship of Medicine have arranged a course of lectures and demonstrations, I have bought a ticket for the same paying Four Guineas

Now, Sir, the cost of living is very high I am spending nearly ten shillings per day for food alone and my room rent is a few days will be three pounds a week. In addition I have to meet other sundry expenses

2. The Laundry cost me last week One pound one shilling. A shaving

branch which exists in India only
of annas, which are five shillings
Such is the State of affairs

In addition I have to maintain
my family in Bangalore.

The allowance that I get at
present and my pay do not help
me and I have to contract debts
The amount that I get now which
is Rupees One hundred and fifty
is too small to maintain myself

I request that you may be so

D.O.letter/No from Mr. P.Parthasarthi, District Health Officer on deputation to England, to the Sanitary Commissioner in Mysore, Bangalore.

I wrote to you as soon as I reached London that the cost of living in this country is very much increased and that it is impossible for me to maintain both myself here and to help my people in Bangalore with the allowance I get.

The rise in the exchange has made my condition very much worse. I am getting now nearly six pounds less than what I was getting three months ago that is the month I came here. The cost of living in this country as per official report has gone up 150 percent. Under the circumstances I find it very difficult to maintain myself here and to help my people in Bangalore.

I request that you may be so kind as to move the Government to grant me an allowance as asked in my last reference on the subject.
